A reader sent us an interesting snippet of information today. That seemed a startling fact, so we looked into it. And it’s true. “RTS” is the UK government’s – or more precisely HMRC’s – Regional Trade Statistics accounts, which seek to disaggregate the UK economy to see how much money is generated in which areas.I have a love/hate relationship with calculus: it demonstrates the beauty of math and the agony of math education. Calculus relates topics in an elegant, brain-bending manner. My closest analogy is Darwin’s Theory of Evolution: once understood, you start seeing Nature in terms of survival. Youhaving an eyecandy desktop does not help you if its still impossible to do a right click with the official raspberry pi touch display??????????????????????????????dj?????????????????????????
