

Download 2007 Chevy Malibu Maxx Owners Manual

The Chevrolet Malibu is a mid-size car manufactured and marketed by Chevrolet from 1964 to 1983 and since 1997. The Malibu began as a trim-level of the Chevrolet Chevelle, becoming its own model line in 1978. With a new grille and fascia, the 2019 Malibu midsize car completes a refreshing design update that demands attention before you even step inside its refined interior. you need to find an owners manual....there are three fuse blocks in the vehicle one in the engine compartment under the battery cover...one in the center counsel on the pass. side then one in the rear hatch on drivers side behind the resessed back panel (storage area)GM issued a recall for electronic steering assist problems in March of this year. Pulled it up off my car's info since I knew where to look from that.
