“A Bed of Red Flowers is more than the remarkable story of Nelofer Pazira’s difficult life in war-torn Afghanistan, her family’s sacrifices and escape, and her eventual triumph as a writer, teacher, journalist, and actress” (Khaled Hosseini, bestselling author of *The Kite Runner*). A Bed of Red Flowers is the true experience of a young woman who grew up in Afghanistan and her experiences during the Russian invasion and subsequent fleeing the Taliban fighting that occurred after. Ms. Pazira writes in an engaging and easy to follow manner. The telling of the escape kept me at the edge of my seat and I couldn't stop reading until that part was over.
