HELEN PALMER was a children's book author and editor who—along with her husband, Theodor Seuss Geisel (aka Dr. Seuss)—founded Beginner Books, a division of Random House that specialized in books aimed at Beginning Readers, like *The Cat in the Hat*. In *A Fish Out Of Water*, the boy also dumped the entire box of fish food into the tank. "Fish Out of Water is a great resource for navigating ponds that suffocate the marginalized with dominant norms and values. Linking Cultural Proficiency to decoding an environment provides more tools for code switching, code sharing, and conversations about making students and families feel welcomed, included, and safe in our schools." Editorial Reviews. Here's a book that will really make a splash with your little ones! Dr. Seuss's beloved classic, *One Fish, Two Fish, Red Fish, Blue Fish* is now an appealing bath book.
