Meters. Much lyric poetry depends on regular meter based either on number of syllables or on stress. The most common meters are as follows: Iambic – two syllables, with the short or unstressed syllable followed by the long or stressed syllable. The Homeric Question concerns the doubts and consequent debate over the identity of Homer, the authorship of the Iliad and Odyssey, and their historicity (especially concerning the Iliad) This list is meant to assist, not intimidate. Use it as a touchstone for important concepts and vocabulary that we will cover during the term. 2 Ideas for the Christmas Concert “We're doing two songs in our Christmas concert as well as one poem.
