Heat is a 1986 American action-thriller film about an ex-mercenary working as a bodyguard in Las Vegas. The film was written by William Goldman, based on his 1985 novel of the same name. Heat was directed by Dick Richards and Jerry Jameson. When a fire is started in the firebox of a Rocket Stove, all it should take is a puff of breath or two down over the firebox to get the hot gases to start traveling through the short horizontal burn tube and up theA crime of passion (French: crime passionnel), in popular usage, refers to a violent crime, especially homicide, in which the perpetrator commits the act against someone because of sudden strong impulse such as sudden rage rather than as a premeditated crime. The house rebuilding project is going well. We've finished all the framing, and the higher ceilings and more open floorplan are hinting at a level of awesomeness that surprises even me.
