Sex with maid: Bahrain boy, 13, gets his Indonesian maid pregnant Well yes, the man does hire a maid and ends up falling for the maid but the underlying story about paranormal activities, dealing with grief and racial/status issues make this book even more interesting. There are also some really steamy love scenes with tons of toys thrown in to keep it interesting. Good story. I received this ARC for an honest review. Aviva is temporary hired help and Wallace is the older, wealthy man she works for. She can't help falling for him and she brings love and happiness back into his life. The future is very promising except for the vicious ghost that threatens everything, even her life. There is a lot of steamy sex in this interesting romance. Aviva is not afraid to ask for what she wants and Wallace is more than happy to give it to her. The author is new to me but I would definitely like to read more of her work.
