Die Ruth Galloway-Reihenfolge wurde vor über fünf Jahren von Elly Griffiths (\*1963, Pseudonym von Domenica de Rosa) erschaffen. Auf insgesamt elf Bände ist sie von da an angewachsen. ELLY GRIFFITHS is the author of the Ruth Galloway and Magic Men mystery series. She is the recipient of the Mary Higgins Clark Award and the CWA Dagger in the Library Award, and her work has been praised as “gripping” (Louise Penny), “captivating,” (Wall Street Journal) and “must-reads for fans of crime fiction” (Associated Press). I have really enjoyed the Ruth Galloway series. But, as I said in my review of her first book, 'The Crossing Places', "there was something I think Elly Griffiths got terribly wrong - and that's the entirely gratuitous violence visited on the little cat, very near the beginning. Elly Griffiths was born in London in 1963. Her first crime novel The Crossing Places is set on the Norfolk coast where she spent holidays as a child and where her aunt still lives.
