Naturopathy or naturopathic medicine is a form of alternative medicine that employs an array of pseudoscientific practices branded as "natural", "non-invasive", and as promoting "self-healing". Naturopathic medicine is a distinct healthcare profession that combines natural, non-toxic therapies with current advances in health and medicine. The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. *The Message of the Stars* by Max Heindel and Augusta Foss Heindel is an esoteric exposition of natal and medical astrology explaining the arts of reading the horoscope and
