5 weird interview questions (and how to answer them) Some of the most bizarre questions that jobseekers have actually been asked, and how you could respond if they're posed to you. I was asked the following management consulting estimation question by a McKinsey interviewer many years ago: "Estimate how long it would take to move or relocate an average size mountain 10 miles using an average size truck" You may NOT ask any clarifying questions. Any answer that does not include a specific amount o
