

# Download Adjust Screen Resolution To Fit Monitor

So, just yesterday I started the download for windows 10 on my computer that was windows 8.1, and today, (when I'm posting this) my screen resolution didn't fit my current monitor, and it has this Yesterday, i noticed how when i used my internet browser (Google Chrome) i noticed the window was to big and the sides were pushed outside of my monitors borders so some options could not be used / seen .Hello, I received a 32" tv for Christmas to start using as a computer monitor for gaming. The TV does support 1080p resolution. My video card has HDMI output.my display screen does not fit my monitor and i dont know how to make it fit it is a 1920x1080 ASUS VS239H
