Thorough analyzing your business needs and industry and product and business requirements, we deliver tailored cost-competitive, scalable and robust solutions. Acumatica is the complete Cloud ERP solution for all your business management needs today and in the future. Origin. The Gartner Group first used the abbreviation ERP in the 1990s to extend upon the capabilities of material requirements planning (MRP), and the later manufacturing resource planning (MRP II), as well as computer-integrated manufacturing. Think about all the core processes needed to run a company: finance, HR, manufacturing, supply chain, services, procurement, and others. At its most basic level, ERP integrates these processes into a single system.
