Hell & High Water (THIRDS Book 1) - Kindle edition by Charlie Cochet. Romance Kindle eBooks @ Amazon.com. Action. Comedy. Romance. And that one weird guy. THIRDS exists to uphold the law for Humans and Therians without prejudice. During the Vietnam War, biological warfare spread the Melanoe virus, infecting millions worldwide and changing the course of human history forever. Going by other THIRDS Thursdays Dex and Sloane will be done their TIN training before the start of the TIN book one, so I'd like to see some of their training... and maybe a little trash talk about Dex for not being Therian. Women Who Eat Whole Grains Weigh Less A study published in the American Journal of Clinical Nutrition underscores the importance of choosing whole grains such as brown rice rather than refined grain, i.e., white rice, to maintain a healthy body weight.
