That's where the X-Men we all love are from. That's where the main bulk of storylines take place when you pick up a comic book, and Agents of S.H.I.E.L.D. made a subtle nod to this fact. The large operation center of a cargo plane that the team flies around in, The Bus, was designated "SHIELD 616". A fun little easter egg for the hardcore fans. While the Netflix shows remain in their own corner of the Marvel Cinematic Universe, the latest season of Daredevil does lend a nod to the ongoing exploits of Agents of S.H.I.E.L.D. Ever since the Marvel Television show first premiered, Agents of SHIELD has built many connections and dropped multiple Easter eggs for eagle-eyed fans, but one might have gone unnoticed until ...Page 1 - Tonight 'Agents of S.H.I.E.L.D. the agents face off against Aida with the help of Ghost Rider.
