Multiple Sclerosis Implications And Treatment - Steeno Burris HPE 110-A Multiple Sclerosis Implications and Treatment In the US, the number of people with Multiple Sclerosis is estimated to be about 400,000, with approximately 10,000 new cases diagnosed every year. Multiple sclerosis is a life-altering condition — it's not just going to alter your partner's life, it's going to alter yours, too. However, that doesn't mean it's the end of life and your ...My wife made a comment last week that I've thought about a lot since she said it. It was said in passing in the middle of a conversation that I cannot remember (apparently, my wife's not the only person in our family with poor memory). If you've ever flown, you've probably heard a cabin attendant do the pre-flight commentary and say, "in the event of rapid cabin depressurization, oxygen masks will descend from the panel above your head".
