

Download All You Can Pay How Companies Use Our Data To Empty Our Wallets

At least in e-commerce, one-to-one customized pricing is technologically possible. But that doesn't mean it will happen en masse. Some bad actors are willing to misuse data, but not everyone does so. "All You Can Pay" paints a compelling and obviously Orwellian picture of data overlords manipulating every transaction. But it goes too far in painting consumers as powerless and companies as defaulting to being evil, when given the choice. All You Can Pay has 46 ratings and 10 reviews. Matthew said: So, if I am to take seriously the suggestions in this book, I shouldn't be telling Goodreads... Bücher. Wählen Sie die Abteilung aus, in der Sie suchen möchten.
