

Download American Aberdeen Angus Herd Book

Member Services. Our mission is to provide programs, services, technology and leadership to enhance the genetics of the Angus breed, broaden its influence within the beef industry, and expand the market for superior tasting, high-quality Angus beef worldwide. Earl Marshall was one of the all-time great bulls of the breed, born on September 4, 1912, on the W.A. McHenry Farm in Denison, IA. At the present time, the American Angus Association, since its origin in 1883, has registered 16,832,114 animals in the herd book, 15,040,919 have Earl Marshall in their pedigree. RUGGED SELLS PRIVATELY FOR £20,000 by Jonathan Long. A young Aberdeen-Angus bull carrying some of the highest performance figures in the breed has sold privately for £20,000. The American Aberdeen Angus Association was formed in the city of Chicago in Illinois on the 21st of November in 1883 and was observed to publish their first herd book two years later in March 1st 1885.
