

Download An Illustrated Journey Inspiration From The Private Art Journals Of Traveling Artists Illustrators And Designers Danny Gregory

An Illustrated Journey captures the world through the eyes of 40 talented artists, illustrators and designers. You'll experience the wonder of seeing familiar sights through a fresh lens but, more important, you'll be inspired to set pen to paper and capture your own vistas. An Illustrated Journey is a delightful collection of travel sketches from 40 contributors all over the world. They draw on location, they record their thoughts, and they share their stories in this book. The presentation style is similar to Danny Gregory's previous book An Illustrated Life, a book that I still refer to regularly.
