

Download Angels Paper Dolls With Glitter

We love the simple crafts too. As you know, we made a Loo Roll Angel earlier in the week – that was a “bigger undertaking”, but we also like keeping it simple at this time of year – that is where this Paper Angel Printable and our Christmas Photo Booth printables come in handy! Angels reign supreme — in fiction, in art, and in the popular imagination. These thirty full-page images of celestial beings will enchant colorists with their ethereal beauty.
