At sixteen Anne is grown up. . . almost. Her gray eyes shine like evening stars, but her red hair is still as peppery as her temper. In the years since she arrived at Green Gables as a freckle-faced orphan, she has earned the love of the people of Avonlea and a reputation for getting into scrapes. Anne of Green Gables is a wonderful classic story and it gets 5 stars. This particular printing, however, is completely unacceptable. It's as if someone typed it into a document, and printed it off--no page numbers, not titled at the top of each page, the lines don't even break properly (see photo). Anne of Green Gables is a 1908 novel by Canadian author Lucy Maud Montgomery (published as L. M. Montgomery). Written for all ages, it has been considered a classic children's novel since the mid-twentieth century. Free kindle book and epub digitized and proofread by Project Gutenberg.
