WH Questions (speech therapy or regular/ special education) - teach and practice! Use these 4 decks of WH Questions Task Cards to give your students lots of practice learning how to ask and answer questions! Deficits in the ability to ask and answer questions have a serious impact on students' development of communication, classroom performance, and on the development of reading comprehension (Sweig Wilson, 2011). Answers.com is the place to go to get the answers you need and to ask the questions you want. WH questions seem to be the single hardest skill for many of the students on my caseload. Not only is it hard to start with – there are so many levels that you need to help your students build.
