

Download Answers For The Stearns Study Guide

This test preparation study guide is the best in the industry. It is designed for students of medicine, chiropractic, osteopathy, nursing, podiatry, optometry, and allied health sciences. By Peter N. Stearns. People live in the present. They plan for and worry about the future. History, however, is the study of the past. Given all the demands that press in from living in the present and anticipating what is yet to come, why bother with what has been? Learning about the systems of the human body can be really exciting! This lesson provides ideas for bringing the nervous system to life through hands-on activities and games. Instructor: Clio Stearns. Clio has taught education courses at the college level and has a Ph.D. in curriculum and instruction.
