Task 2 in the General Training Writing Test is more important than task 1. You have to write more, it's a more difficult task and it is worth more to your final band for writing as more weight is given to Task 2 than to Task 1. If you're nervous about taking the ASVAB test for the first time you'll want to get in as much practice as you can to ensure you get the military job you're aiming for.
