Arkham Asylum: Living Hell provides an in depth look at the playpen for Gotham's most insane villains. Two-Face, Joker, Killer Croc and other infamous Arkham inmates make appearances, but the some of the beauty of Dan Slott's writing is his focus on new and lesser known villains. Arkham Asylum is not just any institution for the criminally insane. It's the Ivy League of insanity. A "Harvard" for Psychopaths. Anything not described on the new inventory is contraband. Batman: Arkham Asylum is a single player, third-person action/adventure in which the Dark Knight is forced to take on his greatest challenge yet when he is trapped by arch rival, the Joker, within Gotham City's facility for the criminally insane, Arkham Asylum. Jeremiah Arkham was the nephew of Amadeus Arkham and the inheritor of the Arkham legacy. Namely, he became the Administrative Director and Chief Psychiatrist of Arkham Asylum. Jeremiah's choice of vocation was a matter of destiny and stemmed back to the night that he encountered an escaped...
