Daniel Merriam Art of Dreams Wall Calendar: Daniel Merriam is a highly regarded contemporary surrealist. His curiosity, adventurous nature, and sense of humor invite viewers into a magical realm of dreams and intricate landscapes. "Lake House" and "Built on Dreams Alone" are my favorite images from this calendar. I love the creativity and architecture of dreams in Dan Merriam's art. On the calendar side of things I am pleased with the size of squares since i write things on my days. The only layout design i don't like is when dates are shared at the end of the month...its hard to write specific things for say the 24th and 31st of March. American Dream Wall Calendar: The 19th Edition of Paul Landry's American Dream captures classic American goals and desires and makes them more stunning than imagined.
