

# Download Assessment For Educational Leaders

Kia ora and welcome to the Ministry of Education's website for school leadership. Wherever you are in your leadership career, you should find information and ideas that help you to solve day-to-day problems and support your professional learning. Principals need knowledge and insight into the complex processes of change and the key drivers for success. They need to keep the focus clearly on the central vision for their school. "Finally we have a book written on educational assessment that is easy to understand and keeps the reader engaged and focused on the topic. The author provides practical and useful information for both school administrators and classroom teachers. Strong leadership is essential to systemic, sustainable change in education. Superintendents throughout the country have expressed the desire for evidence-based approaches they can rely upon to lead this change.
