This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work. The Loeb Classical Library is the only series of books which, through original text and English translation, gives access to our entire Greek and Latin heritage. Convenient and well-printed pocket volumes feature up-to-date text and accurate and literate English translations on each facing page. The editors provide substantive introductions as ...The Tetrabiblos of the famous astronomer and geographer Claudius Ptolemaeus (ca. 100 178 CE) of Egypt consists of four books, the title given in some manuscripts meaning 'Mathematical Treatise in Four Books', in others 'The Prognostics addressed to Syrus'. Click on the catalog number or title to see the official Loeb description. There have been some changes to the Loeb's over the years, and as some of the earlier editions were re-done they were changed.
