Fulfillment by Amazon (FBA) is a service we offer sellers that lets them store their products in Amazon's fulfillment centers, and we directly pack, ship, and provide customer service for these products. Reading comprehension is often a concern for the teachers of students with autism. The comprehension strategies described in this article may help some students gain comprehension skills and improve their ability to read and communicate about written material. This book should be called Autism 101. It has a wealth of information on autism and why these individuals struggle with reading comprehension, however, it lacked information on what to do about the problem. The ultimate goal of reading is good comprehension. We've gathered information about apps that provide practice with specific comprehension skills, including sequencing, differentiating between fact and opinion, developing word awareness (through antonyms, synonyms, and homophones), as well as several mind mapping apps.
