

Download Bakers Manual 2nd Joseph Amendola

Crucial formulas for baking success--an updated edition of the classic reference What do virtually all breads and desserts have in common? They rely on baking formulas, the building block "recipes" that every serious baker must master. Joseph Amendola was an incredible man. I learned so much from him! I still use my original Baker's Manual from 1970...it's my bible. This book is a great addition to it and more suited to both the professional and the home baker. Get this from a library!
