## **Barbarism Triumph In The West**

This sixth and final volume in John Pocock's acclaimed sequence of works on Barbarism and Religion examines Volumes II and III of Edward Gibbon's *Decline and Fall of the Roman Empire*, carrying Gibbon's narrative to the end of empire in the west. Early life and career. Pocock was born in London on 7 March 1924, but in 1927 moved with his family to New Zealand where his father, Greville Pocock, was appointed professor of Classics at Canterbury College. Uncompromising exposure of the counterfeit origins of Christianity and of the evil it has brought to the world. The long-awaited final volume of William Manchester's legendary biography of Winston Churchill. Spanning the years of 1940-1965, *THE LAST LION* picks up shortly after Winston Churchill became Prime Minister-when his tiny island nation stood alone against the overwhelming might of Nazi Germany.
