"The Battle Over Homework is an excellent resource that provides research-based information as well as practical information. Administrators, teachers, and parents will find Cooper's book to be an indispensable resource."The Battle Over Homework: Common Ground for Administrators, Teachers, and Parents. Third EditionDr. Cooper provides a near, meta-analysis of research data on homework that answers essential questions of teachers, administrators, parents, and students. I have had teachers complain about the voluminous amount of homework given by peers, as well as the lack of homework required by others. With this book, I can share the research on not only appropriate quantity, but more importantly the quality of homework.Add tags for "The battle over homework : common ground for administrators, teachers, and parents".
