Beat the Odds in Forex Trading shows you how to replace fickle predictive formulas with tangible market chart patterns to dramatically augment your Forex trading results. In this book, skilled currencies trader and trainer Igor Toshchakov (L. A. Igrok) details his Igrok Discrete-Systematic Method, the straightforward and accurate system that allows you to enter and exit the market according to clear-cut mechanical rules instead of vague hunches and emotional guesswork. "Beat the Odds in Forex Trading provides traders with tremendous value by disseminating the trading methods and philosophy of one of the most remarkable Forex success stories since Soros." --Alexander De Khtyar, President, Forex International Investments, Inc.
