The treatment of trauma can be some of the most complex work practitioners face. And for years, this challenge was complicated by not having a clear picture of the impact that trauma has on the brain. Our site provides accurate, non-biased information on pregnancy options, including medical abortion with RU486 and surgical abortion, pregnancy decision-making, adoption, childbirth, parenting, infertility, birth control, religion and abortion, teratogens and substances harmful to pregnancy, and STD's.
