

# Download Bengal In Global Concept History

The book *Bengal in Global Concept History: Culturalism in the Age of Capital*, Andrew Sartori is published by University of Chicago Press. In this ambitious study, Andrew Sartori closely examines the history of political and intellectual life in nineteenth- and twentieth-century Bengal to show how the concept can take on a life of its own in different contexts. *Bengal in Global Concept History* has 15 ratings and 3 reviews. Patrick said: A must read for anyone interested in intellectual history. Theoretically ric... Patrick said: A must read for anyone interested in intellectual history. Working specifically with the way the concepts of liberalism and culture were deployed by intellectuals in eighteenth- and [End Page 181] nineteenth-century Bengal, it places these concepts within a global history held together by what he at one point calls "the geographical non-specificity of global structures of capital" (p. 129).
