

# Download Best Graphic Design Book For Freelancer

With so many new graphic design books published all the time, it can be tough to know which ones you need on your bookshelf – and which ones probably aren't worth your precious cash. There are hundreds of fantastic graphic design books out there, offering words of wisdom, design inspiration, and refreshers on key principles and techniques. Whether you're looking to swot up on design theory or recharge your creative batteries, we've curated the best titles here, in this essential reading list. While there are great resources out there for anyone interested in freelancing, working as a graphic designer can have a few twists that makes it worth your while to take a look at books that specifically offer information geared towards freelance graphic designers. Designers & Books Tours: Customized tours providing the opportunity to explore the places, meet the people, and see the books of the design book world in New York City.
