Muffins English muffins, crumpets, scones & bannock American muffins Blueberry muffins. Researching the history of bread-related products is difficult because bread is THE universal food. Pivotal to PPF's success is our focus on customer service. Our attention to detail and high customer service standards and ability to react to market trends means we work in partnership with Europe's top supermarkets, in both Western and Central Europe. Originally importing exclusively from Poland, our current network has greatly expanded to cover most of Eastern and Central Europe. Each year, our network grows to include more countries, based on the best products these regions have to offer and the relationships we've cultivated with those manufacturers. Pita These versatile middle-eastern flatbreads are perhaps the oldest breads known. Soft and thin, they provided the basis for a variety of popular portable items, most notably pizza, and a variety of filled pocket or rolled sandwiches.
