The Big Ideas Math program addresses all of the 6th, 7th, and 8th grade standards as outlined by the Common Core State Standards. Consistent with the philosophy of the Common Core State Standards and Standards for Mathematical Practice, the Big Ideas Math Student Edition provides students with diverse opportunities to develop problem-solving and communication skills through deductive reasoning and exploration. Note from Mrs. Renz: My hope is that my students love math as much as I do! Play, learn, and enjoy math . as you browse through this collection of my favorite third grade through high school math sites on the web.
