Bitcoin Basics Buying, Selling, Creating and Investing Bitcoins The Digital Currency of the Future
This item: Bitcoin Basics: Buying, Selling, Creating and Investing Bitcoins – The Digital Currency of the... by Benjamin Tideas Paperback \$9.99 In Stock. Ships from and sold by Amazon.com.
When I picked up this book I had no idea what a Bitcoin was. The author did a great job of answering all the questions I had about buying and investing in Bitcoins. It looks like digital currency is going to make an impact in the future. I like to get ahead of the pack and do my homework on current and future trends. This book is worth reading and really interesting.
