We had a great 2018 Spring Season for black bears with 100% success for all our clients. We had a great time with our hunters out on Castaways enjoying Prince William Sound eating fresh shrimp and harvesting big bears. My hunting outfitter in Saskatchewan Canada just had his whole group cancel for Thanksgiving week. He needs to get some hunters in for the week. During the winter of 1984 and 1985 we transplanted 150 elk into our Scoop Lake guide area. The transplant involved catching 75 elk in southeastern British Columbia the winter of 1984 and trucking them 1200 miles to Fort Nelson, then flying them 240 miles into Scoop Lake.
