Boat Maintenance . Most boaters spend too much time and money trying to find cleaning and maintenance products that can keep their vessels in top-notch shape. Bill Burr's Boat Maintenance ends those costly searches by providing this comprehensive guide to the techniques and products that can preserve and protect your boat year after year. This is the first book to combine practical, how-to instructions with objective product recommendations. Start by marking "Boat Maintenance: The Essential Guide Guide to Cleaning, Painting, and Cosmetics: The Essential Guide Guide to Cleaning, Painting, and Cosmetics" as Want to Read: Rather it covers the general care of a boat, where cleaning and maintenance overlap-removing stains from the deck, inspecting and protecting standing rigging, restoring teak, cleaning the bilge. It is ongoing maintenance of this sort that devours the most of a boater's time and has filled the shelves of marine stores with competing and conflicting products. Provides guidance to the techniques and products that can preserve and protect your boat year after year. This book shows you how to clean and maintain fiberglass, wood, metal, fabric, and plastics.
