

Download Boracay — The Island Guide

Boracay will not disappoint if you're looking for a combination of sun, sand and sea on your holiday. The island offers nearly every imaginable beach activity available and water sports include jet-skiing, windsurfing, parasailing, snorkelling, and diving. Welcome to Boracay Island!!! This site started out as a small information source for travellers heading to Boracay Island in the Philippines, but has grown over the last two years to become one of the main Boracay sites on the Net. If you like cute Asian girls in bikinis you'll love this place! Filipina, Korean, Japanese, Chinese, European – Boracay has it all. It may be a honeymoon island, but they're plenty of singles around. Updated Guide to Boracay 2.0 | Detailed up-to-date information for travelers. Hotels, Transportation, Activities. #1 Travel Site since 2008
