You know it's time for the Spring Preschool Worksheets when the daffodils start popping out with bright, beautiful patches of sunshine yellow. **LEARNING THROUGH PLAY** Our preschool teachers are warm, nurturing, committed early childhood professionals who are masters of finding exciting ways to encourage your child's development with hands-on activities, active participation, and exploration. Through engaging and fun animated computer activities, your children develop their abilities in all the early learning skills with Jumpstart Advanced Preschool Fundamentals! Read about the game, download a free trial, view screen shots, and more. The Core Knowledge Sequence is a set of model guidelines describing fundamental competencies and specific knowledge that can provide a solid, coherent foundation for later learning in Kindergarten and beyond.
