When I bought this printer, my husband wouldn't stop giving me a hard time about it. After all, I had a perfectly good scanner and printer working at the time. VueScan supports raw scan files for the digital cameras in the following list. However, note that the colors may will be more accurate if you use an IT8 camera target (like the one produced by Wolf Faust) and if you use VueScan's "Profile|Profile scanner" command to create an ICC file for your camera.
