

Download Bruno Latour Reassembling The Political Modern European Thinkers

A book stunning in its analytical reach, *We Have Never Been Modern* shows the futility/centrality of Nature/Culture debates. On the one hand, modernity signifies the need to purify nature from culture. *Politics of Nature: How to Bring the Sciences into Democracy* [Bruno Latour, Catherine Porter] on Amazon.com. *FREE* shipping on qualifying offers. A major work by one of the more innovative thinkers of our time, *Politics of Nature* does nothing less than establish the conceptual context for political ecology--transplanting the terms of ecology ...Introduction. Anthropocentrism refers to a human-centered, or "anthropocentric," point of view. In philosophy, anthropocentrism can refer to the point of view that humans are the only, or primary, holders of moral standing.
