

Download Bugaboo Cameleon Owners Manual

Item arrives in packaging that reveals what's inside. To hide it, choose Ship in Amazon packaging at checkout. Why you'll love it: The Bugaboo Cameleon Stroller is a transformer that converts from a bassinet to a three position, dual-direction seat that can carry kids from birth to age three. Each Nuna PIPA comes standard with an infant insert, a buckle pad and harness strap covers. It also comes with plastic funnel guides in case your vehicle's lower anchors are recessed and it's difficult to attach the rigid lower anchor connectors.
