Writing a research paper is an important skill you need to learn. In order to do a paper properly you need to keep a few things in mind which will be outlined below. Research comprises "creative and systematic work undertaken to increase the stock of knowledge, including knowledge of humans, culture and society, and the use of this stock of knowledge to devise new applications." Paths to social change: conventional politics, violence and nonviolence, a chapter by Brian Martin in the UNESCO-EOLSS volume Nonviolent Alternatives for Social Change, 2006
