

# Download Business Enterprise In American History

"Teachers trying to meet the growing demand for sweeping surveys on American business history have long lamented the lack of a readable overview on the subject. Business history deals with the history of business organizations, of business methods, of government regulation of businesses, of labor relations, and of business impacts on society. In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network.
