What Is globalization? Is it the integration of economic, globalization definition political, and cultural systems across the globe? Or is it the dominance of developed countries in decision-making, at the expense of poorer, less powerful nations? There are both distal and proximate causes which can be traced in the historical factors affecting globalization. Large-scale globalization began in the 19th century. Following a deadly terrorist attack in Nairobi, the capital of Kenya, on Tuesday, the Secretary-General of the United Nations, António Guterres, and the President of the UN General Assembly, María Fernanda Espinosa, condemned the act and said they stand in solidarity with the Kenyan people. Globalization, which refers to the increasing integration and interdependence of countries, is a major trend shaping world affairs around the globe.
