With more than a million books in print, David D. Busch is the world's #1 selling digital camera guide author, and the originator of popular digital photography series like David Busch's Pro Secrets and David Busch's Quick Snap Guides. In the Canon EOS 40D, speed and reliability meet superior image quality and affordability. With this handy guide, you'll learn how to work with color spaces and white balance, use Live View, set up the 40D for your shooting style, set and evaluate exposure, and more. In February, Canon announced the EOS Rebel T7i (800D) and EOS 77D, adding two new choices to the company's already confusing lineup. In this article we'll break down what separates the T7i, 77D and the existing EOS 80D – and which is the best one for your needs.
