

# Download Case In Point 10th Edition

In Case in Point 10 I have streamlined the material. I have reduced the number of sample cases and focused on 27 cases that are relevant, challenging, and sophisticated - with plenty of graphs and lessons built in. Inspired Learning for Life. When it comes to providing students and teachers in nursing, medicine, and the health professions with the educational materials they need, our philosophy is simple: learning never ends. The Preface to the Eleventh Edition lists 17 significant changes [RONR (11th ed.), pp. xxv-xxvii]. These are reprinted below. Below those, an additional 103 changes (numbered 18 to 120) are briefly described. This post is a more carefully thought out and peer reviewed version of a floating-point comparison article I wrote many years ago. This one gives solid advice and some surprising observations about the tricky subject of comparing floating-point numbers.
